

BLUEBIRD EF 401

Super Compact, Super Smart.

Powerful Enterprise Functionalities In a Pocket-sized Design

Ergonomic, Small Form Factor

With a weight of only 200 grams(7oz), EF401 is ergonomically designed for comfortable single-handed operation.

The multi-touch display can be operated with fingertips, or gloves, and works even if they are wet.

Ultimate Performance

The reliable and powerful 2.0 GHz Octa-core processor ensures higher level of performance that can run multiple applications with minimum power consumption.

Running Android 7.x, the EF401 provides ultimate on-the-go productivity.

Durable and Scratch Resistant

EF401's compact, lightweight design incorporates Bluebird's proprietary TankSmith® technology that means it is protected from water, dust, and dirt. (IP Rate - 67)

The 4-inch, multi-touch display made of Corning® Gorilla® Glass 3 is exceptionally resistant to scratches and deep chips.

From Barcodes to NFC

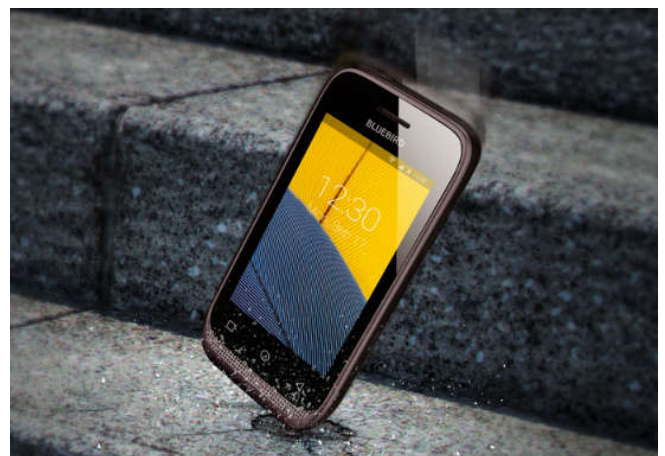

EF401 has a barcode scanner that rapidly reads 1D and 2D barcodes and it also supports near-field communication(NFC).

In addition, EF401 has a 13MP camera optimized for industrial usage.

Extended Product Life Cycle

When purchasing a Bluebird product, you can be sure that the product will be supported for several years to come.

Unlike suppliers of consumer-grade devices, Bluebird stands behind its products for years, significantly extending the product life cycle.
